## Your Benefits with Foton Handels GmbH

### 35 Years of Experience

Our specialists are proven experts in batteries and rechargeable batteries and will be happy to advise you on selecting the right products for your needs.

### All Types always Available

Thanks to our large warehouse in Vienna, we always have all batteries in stock and can therefore deliver all types quickly.

### No Minimum Order Quantities

We believe that a distributor must provide its customers with an environment where they can restock their inventory at any time and without restrictions.

### Disposal Fees Included

For all our customers in Austria, we cover the disposal fees for batteries and packaging. Batterien und Verpackungen.

### Guaranteed Fresh Stock

As a distribution partner of Duracell and Renata, we source batteries directly from the manufacturer. This guarantees that you receive batteries with the longest possible shelf life.

### If you are interested in a quote or wish to order

Please enter the desired order quantity in the designated column, complete your customer information form on page 2, and send us the completed PDF file via email to:

[verkauf@foton-gmbh.com](mailto:verkauf@foton-gmbh.com)

Our team will process your request promptly and reliably.
